Petition for Revival of Application
Abandoned Unintentionally Under 37 C.F.R. § 1.137(b)

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The captioned application became abandoned on June 23, 2008 for failure to respond to the Final Office Action dated December 7, 2007. By the instant paper, the undersigned respectfully petitions for revival under 37 C.F.R. § 1.137(b) of the captioned application which was abandoned unintentionally.

Pursuant to 37 C.F.R. § 1.137(b), applicants state that the entire delay in filing the required reply from the due date for the reply until the filing of the instant petition was unintentional. The abandonment of the application for failure to response to the office action occurred unintentionally, because the correspondence address as of December 7, 2007 was not properly recorded and the undersigned failed to receive the

office action dated December 7, 2007 at all as the document was mailed to Venable LLP in Washington, DC instead of Perkins Coie LLP and was never transferred to the undersigned.

The undersigned respectfully submits that since the captioned application was filed after June 8, 1995, a grantable petition does not require a Terminal Disclaimer.

Pursuant to 37 C.F.R. § 1.137(b), applicants submit herewith:

- 1.) A petition fee as set forth in 37 C.F.R. § 1.17(m) in the amount of \$810.00 for small entity;
- 2.) Amendment and Response to Final Office Action and petition for extension of time and request for continued examination associated with the filing of the Amendment and Response.

The Commissioner is authorized to charge the petition fee of \$810.00, as well as any additional fee required and credit any overpayment to Deposit Account No. 50-2586.

Respectfully submitted,

Perkins Coie LLP
